

BK 15: Baiyoke Dinner Buffet

(International and Seafood)

Destination **Bangkok**

Duration **Half Day 5 Hours**

Tour Description

The 84-storey Baiyoke Tower is an unmissable towering landmark in the Pratunam area of Bangkok. Its skywalk on the 77th floor has large viewing windows and is the best place to get sweeping bird's-eye views of the skyline. The revolving rooftop observation deck on the 84th floor is where you can gain even higher and more impressive views of the city.

The newly renovated restaurant combines the style of popular street food from all over Bangkok into a high skyscraper, allowing you to enjoy photography with our international seafood buffet in Thai, Chinese, Japanese and European flavors, such as Thai Stir-Fried Noodles, Prawn in Creamy Spicy and Sour Soup, 20 kinds of noodles, Sushi, Mango with Sticky Rice, and more than 30 menus to choose from, for a fully appetizing experience while enjoying views of all around Bangkok from the restaurant.
