

HK21: fh2: Flying Hanuman

(Full Adventure Only)

Destination **Phuket**

Duration **Half Day 2.5 Hours**

Tour Description

Flying Hanuman is a zip line adventure like no other on Phuket. It shows that the island's beauty goes far beyond the sea, sun, and sand that it is famous for. The hillsides of Phuket overflow with thick forest that is great for exploration and outdoor activities.

What Flying Hanuman aimed to achieve was to provide travelers with exceptional service, enjoyment, excitement, and memories without impacting the natural balance within the forest environment surrounding it. There is no better way to take in the other face of the Pearl of the Andaman.
