

## HK4: Eco Safari Tour (Half Day)

 Destination <b>Phuket</b>	 Duration <b>Half Day 4 Hours</b>
---	--

### Tour Description

Elephant trekking is a unique opportunity to interact with Thailand's gentle giants in their native jungle environment. You will also experience a taste of authentic mahout life as you take part in their daily routine with the elephants. Sit atop an elephant's back in a special basket for two people

It's fun. It's exciting! And at the same time, it's almost relaxing. Elephant bathing is an experience to remember and great fun for the kids. You can do elephant swimming, mud bathing, showering, scrubbing and feeding as well as a lot of other activities.
