

KR2: Hong Island by Long Tail Boat

(Full Day)

Destination **Krabi**

Duration **Full Day 7 Hours**

Tour Description

The Hong Islands: its mean rooms there is so wonderful place it's one the Thailand amazing islands. The highlight of the Hong Islands are Loa Pi Leh Bay the beach is right in front of Hong Island the shade of cliff and trees enhance this pure-white, powdery beach to be recreational place for most adventurers .

Hong Bay: this large-like bay is on the back of Hong Island, opposite Lao Pi Leh A 10 - meter channel leading to abundant lagoon is encompassed with sheer limestone cliffs. Inside the lagoon the water is so translucent that you can see how fertile the marine life is, especially soft and hard corals near the entrance.

Hong Island is the place not too be miss for your tour in Krabi see more the Hong Islands tour details.
