

KR3: Jungle Tour Hot Spring Emerald Pool

(Full Day)

Destination **Krabi**

Duration **Full Day 8Hours**

Tour Description

In the south of Krabi province in Klong Thom district (around 70km from town and near the Khao Phra Bang Khram Nature Reserve), are nature's own hot-tub jacuzzis, known locally as (nam tokrawn in Thai). The water here comes from thermal springs, originating deep underground in volcanic chambers. Located in the jungle, this site features naturally hollowed-out 'bathtubs' in the smooth stone, filled to the brim with fresh running spring water at a pleasant 35-42C. After a soak, take a refreshing dip in the cool river below.
