

P11: Pattaya Floating Market

(Half Day Tour)

Destination **Pattaya**

Duration **Half Day 3 Hours**

Tour Description

Pattaya Floating Market is established under the concept of presenting cultures and traditions of the four regions of Thailand – Northern (Lanna), Southern, Central and Northeastern (Isaan). The concept covers how people from these four regions live, what their main activities are, and what the main products from there are, so the floating market could indicate how people in different areas live and what they earn from their ancient times. Additionally, Pattaya Floating Market is the largest floating attraction in East Thailand, which would encourage more visitors to come to Pattaya.
