Tour Description

Frost Magical Ice of Siam in Pattaya offers the opportunity to experience the cold of the Arctic in a tropical country. Temperatures in the Ice Dome are a chilling -10 degrees Celsius, while at the outdoors section temperatures are some 40 degrees higher.

Siam Heaven, The Ice Dome

The indoors section called Siam Heaven, or Ice Dome, feels like the Arctic with its below zero temperatures and ice sculptures of polar bears, penguins and an igloo, a snow house of the Inuit people living in the Arctic. In -10 degrees Celsius temperatures you will also find some typical Thai items, like an ice sculpted tuk-tuk.
