## Tour Description

Underwater World is Pattaya's largest (and only) aquarium. Here they have exhibits featuring fish and other creatures from around the region. The aquarium features a 100-meter-long acrylic tunnel where you can get a special view of our largest tank which is a home to many different types of fish, from prowling predators to lazy fish and a host of other creatures that inhabit the ocean depths. The marine displays are divided into four zones: Coral Reef Zone, Shark and Stingray Zone, Giants of Siam Zone and the new Jelly Fish Zone (the largest displayed collection of jellyfish in Thailand).
